

Firstclass Service

When renting a toilet cabin you get the well-known full service of the most progressive disposal service provider.

The rental includes:

- Delivery of the toilet cabin
- Weekly service including cleaning inside and outside and changing of the sanitary liquid
- Preparation of toilet tissue and hand sanitizers
- Collection of toilet cabin
- Final cleaning
- Environmentally-friendly disposal

Since 2001 in the new company building.

Rental of mobile sanitary units

Since 1993 we offer our
customers demanding
sanitary hygiene. More
than 3.000 mobile toilets
and 20 service trucks are
there for you in use.

Our mother company,
the ADCO Umweltdienste
Holding GmbH in Germany,
brings with it 30 years of
experience as market
leader in the sanitary area.
The international group
covers most of Europe as
well as being present in the
USA and in Asia.
