TOILET CABINS

TOI Fresh

The German National Waste Management Association (BDE) recommends:

Long-term hire: for 6–8 persons 1 toilet
- weekly service

Event: 80 persons max.
1 toilet - daily service

The TOI Fresh – a modern, newly developed toilet cabin with fresh design, friendly colours as well as new functions.

This cabin is the right choice - whether for your event or building-site. A new type of double ventilation system and the proven TOI TOI & DIXI service guarantee freshness and prevent odours. The TOI Fresh comes, of course, with the TOP-Service, decades of professional experience and the comprehensive safety package.

TOI TOI & DIXI are officially tested waste management specialist companies - ISO 9001 certificated - perform internal quality checks. Naturally, environmentally-friendly concentrates are used.

TOI TOI & DIXI sanitary systems are reliable and safe.

TOI TOI & DIXI service is there where you need it - on the spot.

TOI TOI & DIXI Services:

- Delivery and collection by company vehicles
- Cleaning by high-pressure cleaners (weekly/daily as requested)
- Regulation disposal of waste water at sewage plants (with guarantee)
- Filling up the tank with water
- Provision of toilet tissue and hand-cleansers
- Exemption from liability in the event of damage destruction or theft (apart from fixtures)
- Final cleaning
- 24-hour emergency service
