

**Products: Trailer:
Exclusiv 4.2 and Eco 4.2**

Exclusiv 4.2

The newly developed trailer Exclusiv stands for absolute cleanliness and unconditional hygiene. Contactless faucets, hand sanitizers and hand dry equipment combine extraordinary comfort with modern design. Because of its light weight and the trailer coupling it can be collected with a car. The Exclusiv is equipped with two toilets for women, two urinals and one toilet for men.

Since 2001 in the new company building.

Parties and Events

Eco 4.2

Mobility has been the central idea in developing the Eco, too. Like the Exclusiv it can be collected with a car. Attractive designed porcelain wash-hand basins provide a pleasant atmosphere. On the same space as the Exclusiv the Eco offers one additional toilet for women and one additional urinal.

Rental of mobile sanitary units

The portable toilet cabins from TOI TOI & DIXI provide cleanliness and hygiene at construction sites, public events and private parties.

Since 1993 we offer our costumers demanding sanitary hygiene. More than 3.000 mobile toilets and 20 service trucks are there for you in use.

Our mother company, the ADCO Umweltdienste Holding GmbH in Germany, brings with it 30 years of experience as market leader in the sanitary area. The international group covers most of Europe as well as being present in the USA and in Asia.
